

A person is lying on their back in a lush green field filled with numerous small white daisies. They are wearing a dark jacket with a vibrant floral pattern of yellow, orange, and red flowers, and white trousers. Their eyes are closed, and they appear to be resting peacefully. The scene is bathed in bright, natural light, creating a serene and idyllic atmosphere.

Manuel Il Giardino

My way to making art in general comes out from the miserable world of money, my image of art is a flowery garden with tables, and in each table you can find a person working on a new idea, for the simple desire to do it, without other concepts
